List all students in the group, separated by commas

Faculty Mentor: Dr. X

Add your content here. If you are using bullet points, use it like this:

- As you can see
- By using animations
- You can make the text
- Appear one at a time
 - And it helps the audience

Search Strategy

P: Problem (What is the issue?)

I: Intervention (Which material or technique is being tested?)

C: Comparison (What is the alternative material or technique?)

O: Outcome (What is the desired result or effect?)

Databases used

Pubmed

Google Scholar

Trip Database

Galileo

Keywords

List what was searched

Pubmed search string

((Something) AND (something else))
AND (another thing)

Search results

List how many were found, how many were used for the project, how many were reviews, lab studies, etc.

Highest level of evidence

Systematic reviews, guidelines, systematic reviews of randomized clinical trials?

Six Thinking Hats®

White Hat (Faculty): Provides objective data and scientific evidence about the dental material.

Red Hat (Patient): Expresses emotions, concerns, and preferences regarding the material.

Black Hat (Dentist): Evaluates potential risks, challenges, and clinical implications.

Yellow Hat (Sales Rep): Highlights the benefits and advantages of the material.

Green Hat (Manufacturer): Explores innovation, and future possibilities for the material.

Blue Hat (Board of Dentistry): Ensures all perspectives and standards are considered.
